Ecce Pallantis rubicunda bigis
Roscidis, pellit mage luminosum
Phosphorum, septem rutilans corusca
Fronte Triones.

Ecce formosae tabulata inaurat
Havniae, blandum referens nitorem,
SUDUS, antiqui radiis que spargit
Culmina Nori;

Fulgida junctim placide ferenat
Luce, damnatos nive sempiterna
Vertices, et quae loca inhospitalis

Verberat Hecla.

Eja qui vultus, age dic, boreaus
Orbis, Evertpe, variat, pede alma
Lesbio, totus velut inde nostris

Rideat oris:

Hoc die, fausto LUDOVICA partu
Attulit NUMEN tibi Dana gens, et
Dive te dia FRIDERICE fecit

Prole parentem:

Surgite insignes! triplici corona,
Surgite o vinctae duplici sorores
Foedere: . . . ac o. fol. lepide, . . . canende,
Dicite, falve;

Langvidis mixti fenibus puelli
Seduli, ac vitta nivea decorae
Virgines, libate, Diis que matres
Thura faventes.

Alter, o Divûm manifesta proles,
Verus Augustus, BONE CHRISTIANE
Protegas artes; miseris que faustam
Porrige dextram;

Punias aequus vitia; et benignis
Lustra Saturni pretiis reducas:
Prosper invifat, duce Teque, utrosque
Venditor Indos.

Sic Fides, et Fas, et amoena late
Fauftitas terris vigeat: sed, o Rex
Magne, felix et facilis nivofam
Respice Thulen;

Quae Tibi castas modo ferre grates
Audet; ut fcitis reparata, donis
Ut Tuis, rurfusque beata furgit,
Fulta paternis.

Jam ter aeternumque Deum precamur;

Thura ter justos damus in focosque;

Ter pia VIVAS prece CHRISTIANE

Poscimus omnes:

Serus, Arctoi columenque, amorque

Orbis, et sedes repetas Deorum;

Sacra flaventi redimitus usque

Tempora oliva.

Inde dum stellas, TUA, pascit aether,

Imperet regnis SOBOLES duobus;

Et PATRIS fulvo teneat notata

Secla metallo.

Tota sic AUGUSTA DOMUS perenne
Floreat, caelo, populoque amata;
Dulce que, elapso melius que semper,
Proferat aevum.

Vifus, excelsa mihi vifus arce,
Qvi regit mundum Genitor triformem,
Annuit; vultu refugum et nitenti
Mulfat Olympum.
